

Thirteen people participated in all four races and were entered in a drawing for a goat pendant donated by Saunder's Jewelry. Congratulations Tamara Solari for winning the Goat!

Dewey Peacock was too fast for us. We had one lone volunteer directing traffic at two junctions. Our volunteer didn't make it to the second junction until after Dewey had already whizzed past... in the wrong direction. Thomas Jodin didn't feel comfortable claiming the series win, so Dewey was named champion. We would like to sincerely apologize to Dewey and anyone else who feels harmed by our mistake. We promise there will be volunteers at both junctions next year.
